Dear Chris,

Re: Dancey Cottage
MacIvers Point - Lake Muskoka

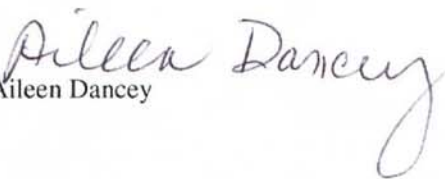

Chris, I wanted to write to thank you and your team...Dave, John, Christie, et al ...for the excellent work you did on our cottage in Muskoka.

Your team was very professional to work with and you translated our initial vision and thoughts into reality in a seamless, timely way. Everyone who visits the cottage comments on how it "fits" into the lot and the high quality of the finishings.

We had high expectations going into this process...and you exceeded them!

Again...many thanks.

Yours very truly,

Aileen Dancey
